

2015 ENVIRONMENTAL REVIEW RECORD

City/Township: \_\_\_\_\_ Address: \_\_\_\_\_ Activity Number \_\_ -\_\_ -\_\_

Description \_\_\_\_\_

- (a) **Historical Properties:** If the structure is **over 50 years of age** *Consultation with the SHPO* is required unless **the only repairs being done** are listed on the *Certificate not Requiring Consultation with the SHPO*.
- (b) **Floodplain Management and Wetland Protection:** Cleared by reference to City's 100-year floodplain map. Community-Panel Number: \_\_\_\_\_ The project does not involve the acquisition of undeveloped land, change of land use or new construction.
- (c) **Coastal Areas Protection and Management:** Does the City boarder coastal waters?  Yes  No  
If Yes – is the site located within the Coastal Management Zone?  Yes  No  
If Yes – further approvals are required from the Michigan Department of Environmental Quality
- (d) **Sole Source Aquifers:** Not applicable as Wayne County has no aquifers that have been designated by the EPA as the sole or principal source of drinking water.
- (e) **Endangered Species:** Cleared as the proposed project does not involve new construction, conversion of land use, major rehabilitation of an existing building, or the acquisition of undeveloped land.
- (f) **Wild and Scenic Rivers:** Cleared, as there are no wild and scenic rivers in Wayne County.
- (g) **Air Quality:** Cleared as this project will not generate air pollution nor be adversely affected by existing air quality problems.
- (h) **Farmlands Protection:** Not applicable by reference to the Farmlands Protection Act which indicates this Act applies only to lands that have no existing structures or buildings.
- (i) **Runway Zones:** Is the site located within 2,500 feet of the end of a civil airport runway or 8,000 feet of the end of a military airfield runway?  Yes  No  
If Yes, further approvals required
- (j) **Noise Assessment:** Cleared as the proposed project does not involve new construction, conversion of land use, major rehabilitation of an existing building, or the acquisition of undeveloped land.
- (k) **Hazardous Liquids:** Cleared by reference to 24 CFR Part 51.201. The repairs will not result in an increased number of people being exposed to hazardous operations by increasing residential densities, converting the type of use of a building to habitation, or making a vacant building habitable.
- (l) **Environmental Justice:** Cleared, as stated in the project description the goal of the program is to enhance the present living conditions of low/mod income homeowners by eliminating code violations and LBP hazards. This project does not involve the acquisition of housing, acquisition of land for development, or new construction.
- (m) **Hazardous, Toxic, or Radioactive Substances:** Cleared, the property: (i) is not listed on an EPA Superfund National Priorities or CERCLA List, or equivalent State list; (ii) is not located within 3,000 feet of a toxic or solid waste landfill site; (iii) does not have an underground storage tank (which is not a residential fuel tank); and (iv) is not known or suspected to be contaminated by toxic chemicals or radioactive materials. Site inspection by: \_\_\_\_\_ on: \_\_\_\_\_ The project site is suitable for its proposed use.
- (n) **Lead Based Paint:** Please check the appropriate category as it applies to the rehabilitation of this structure (if applicable) and attach the required documentation:
  - LBP Exempt Activity Declaration (**attach Declaration**)
  - \$0 - \$5,000 Repairs Declaration (**attach Declaration & LBP Risk Assessment and/or Inspection**)
  - \$5,000 - \$25,000 Repairs Declaration (**attach Declaration & LBP Risk Assessment and/or Inspection**)
  - Not Applicable (no rehabilitation)

Signature \_\_\_\_\_ Date \_\_\_\_\_

Noise Determination Checklist

Applicant Name: \_\_\_\_\_

Project Address: \_\_\_\_\_

1. Is the housing unit within:

- 1,000 feet of a major highway (defined as 4 lanes traffic with a minimum posted speed of 45 mph)?  Yes  No
- 3000 ft of an active railway?  Yes  No
- Within the airport noise contour area?  Yes  No  
(Willow Run Airport – **only for** Van Buren Twp.)  
(Detroit Metro – **only for** Sumpter Twp., Van Buren Twp., Huron Twp., Romulus)

If you answered **No to all the three** questions above, **STOP** here. If you answered **Yes to any of the three** questions above encourage noise attenuation, to the degree possible, when projects are located in noise exposed areas and continue with the checklist.

2. Has the homeowner declined the need for noise mitigation measures.  Yes  No

Homeowner's Signature: \_\_\_\_\_ Date: \_\_\_\_\_

If **YES STOP** here.

3. Have noise attenuation measures been incorporated in the project design and specifications to address the level of exterior noise exposure?

Yes: Provide brief explanation: \_\_\_\_\_

\_\_\_\_\_

No: Proceed to question #4

4. Is there insufficient assistance available to mitigate noise  Yes  No  
Were all the proposed improvements directly code related?  Yes  No

If **NO**, Noise assessment is required. Contact Wayne County CDBG staff.
