### 3. CALCULATE RENEWAL FEE:

A. Number of Acres of Earth Disturbance listed on your **original SESC permit**:  
\_\_\_\_\_ ORIGINAL ACRES.

B. Number of Acres of Earth Disturbance **remaining** to be PERMANENTLY stabilized. \*  
\_\_\_\_\_ ACRES NOT PERMANENTLY STABILIZED.  
*(Round fractional acreage up to the next whole number of acres.)*

*\*Permanently stabilized is defined as permanent surface cover of dense vegetation or hard surface as shown on your stamped approved erosion control plan.*

*Residential lots that do not have a well established lawn are NOT considered permanently stabilized.*

C. Multiply the Number of Remaining Acres by \$360.

\_\_\_\_\_ Acres Remaining x **\$360.00** = \$ \_\_\_\_\_

**(This is your renewal fee. Make check payable to Wayne County)**

D. Site Plan / Drawing: *You must **attach a site plan** highlighted to show the remaining acreage used to derive your calculation.*

E. **Return to:** Wayne County Department of Public Services  
Land Resource Management Division  
3600 Commerce Court, Building E  
Wayne, Michigan 48184

### 4. SIGNATURE: (Please read before signing)

1. This permit renewal will extend your current SESC permit for 24 months. Projects not permanently stabilized with vegetation within that period must re-apply for a permit renewal and pay a renewal fee.
2. Should you intend to sell any or all of the property while your permit is active, as a condition of sale you **must** inform Wayne County Department of Public Services, Land Resource Management Division and direct the purchaser to make application to this Office for a replacement SESC permit as the new property owner of record.
3. All terms and conditions of the original SESC permit and approved plan remain in full force and effect.

#### **SIGNATURE:**

I have read and understand the information contained in this permit package. I intend to comply, to the best of my ability, with all terms and conditions of the permit and the approved Erosion Control Plan.
