March 17, 2015

## **Spring Thaw Causes Gravel Road Closures**

Gravel roads impacted by the spring thaw may be closed for thru traffic and heavy vehicles until road surface conditions stabilize.

As of March 16, 2015, three gravel road segments have been closed due to frost conditions. These closures include:

### **Sumpter Township**

1. Carelton-West (Judd Road to Wear Road)

### **Huron Township**

1. Grix (Middle Belt to Inkster)
2. Prescott (Merriman to Middle Belt)

Other gravel roads may be closed as conditions warrant. For daily updates on gravel road closures, visit the Wayne County Department of Public Services web page at [www.waynecounty.com/DPS](http://www.waynecounty.com/DPS).

To report any hazardous road condition in Wayne County 24/7, call **888-ROAD CREW (1-888-762-3273)**.
