Wayne County Executive Warren C. Evans issued the following statement on the celebration of Ramadan:

Assalamu Alaikum (Greeting of Peace),

On behalf of Wayne County, I would like to take this opportunity to acknowledge the Muslim-American residents in our community observing Ramadan. It reminds us that we live in a County that is ethnically, culturally, and religiously diverse.

As we recognize and celebrate Ramadan, all our communities can benefit from the compassion, charity and generosity that underlies Ramadan's spirit through fasting and sacrifice. Ramadan is a reminder of the uplifting power of faith and all of our common bonds as we address issues of poverty, justice and unity.

I would like to thank the Wayne County Muslim-American community for your community support and wish you all the best at this holy time of year. Ramadan Kareem.
